

# Call for Applications

## Foundations of Math: Teaching Students With Significant Disabilities (FoM:SD) 2020-2021

Alt+Shift partners with intermediate school districts (ISDs) to provide initial training, co-constructed implementation planning, and subsequent follow-up support for *Foundations of Math: Teaching Students with Significant Disabilities (FoM:SD)*.

**We are now accepting applications for partnerships that will begin during the 2020-2021 school year.**

<p><b>The application and acceptance process has three components:</b></p> <ol style="list-style-type: none"> <li>Interested ISDs consult the resources below and submit an application.</li> <li>Alt+Shift reviews applications and coordinates a follow-up meeting with the ISD leadership team.</li> <li>Final determinations are made.</li> </ol>	<p><b>Partnerships are established with ISDs where:</b></p> <ul style="list-style-type: none"> <li>A need has been established using multiple data sources.</li> <li>Readiness to engage in a change effort is demonstrated through the existence of structures that support implementation of new practices.</li> <li>Strong commitment is present from stakeholders including ISD and local district administration, coaches/consultants, ancillary staff, teachers, and other practitioners.</li> </ul>
